HIGHBRIDGE VOICES

Inspiring excellence through music.

140 students served per year in **grades 4-12**

15 hours of program **per week**

Highbridge Voices has provided so much for me and my family over the years. I entered the program seven years ago, and it is still like a second home to me. I remember being so nervous on my first day. I was nine years old. An older student introduced herself to me and showed me the ropes. I knew instantly that I belonged here. The bonds I have formed through making music, traveling the country, and learning about different cultures around the world have helped make me the person I am today. There is so much talent and passion at Highbridge Voices— it constantly inspires me to become a better singer and person. The program has given me the confidence I need to believe I can accomplish anything.
